Notes:

- [1] A minimum average grade of C+ (2.3) in Philosophy courses is required.
- [2] The number of lower and upper division electives required is determined by the number of lower and upper division units completed in the major.
- [3] 30 of the last 36 units must be completed at LMU.
- [4] One course must be in Contemporary Philosophy. PHIL UD Elective: 3000, 4000 or 5000 level
- [5] Students are strongly encouraged to study a foreign language to enhance their philosophical studies.
- [6] Units for required major course(s) that also meet the core will be counted towards the major. This does not take into consideration a major elective course(s) that may meet both a major and core requirement(s). If two required areas are met by one course, the outstanding units must be met in the Elective units total.
