- [3] Maximum of 12 units may be 3000-level PSYC courses.
- [4] Students may not register for any PSYC course for a third time without written permission of the department chairperson and Dean of the College.
- [5] At least 16 units of upper division PSYC and 30 of the last 36 units must be completed at LMU.
- [6] Units for required major course(s) that also meet the core will be counted towards the major. This does not take into consideration a major elective course(s) that may meet both a major and core requirement(s). If two required areas are met by one course, the outstanding units must be met in the Elective units total.
