Notes	
1	An average grade of C (2.0) must be maintained in major courses.
2	At least 12 units in the major must be taken at the 4000 level.
3	It is recommended that students planning to pursue graduate study in Theology have a reading knowledge of two languages, classical or modern.
4	30 of the last 36 units must be completed at LMU
5	Additional philosophy courses are recommended and should be taken as early as possible.
6	A Theology Major must take 2 upper-division engaged learning courses (one is already required by the core; the other needs to be a THST engaged learning course)
7	Units for required major course(s) that also meet the core will be counted towards the major. This does not take into consideration a major elective course(s) that may meet both a major and core requirement(s). If two required areas are met by one course, the outstanding units must be met in the Elective units total.
8	Students who double-major are encouraged to consider a THST course that fulfills Integrations: Ethics and Justice Core. If this course is taken within the major, the student will replace the units with an elective.
