Notes	
1	A minimum grade of C (2.0) is required in all minor courses.
2	The German minor consists of 20 semester hours taken beyond GRMN 2102. Lower division GRMN courses may be waived through the LMU German placement exam.
3	Students interested in business-oriented coursework should consider GRMN 3716 for one of their upper-division electives.
4	Students who need more semester hours to complete the German minor because of their language placement must take additional courses in the language. In the event that there are no courses in the language, students may take MDLG 3400, MDLG 4400, or FNLTL 4200 (provided it is related to language concentration). If additional classes are not available in the Modern Languages and Literatures Department, students may fulfill those credits with courses in the appropriate cultural studies areas, with <u>pre-approval</u> from the German coordinator and the Department Chair.
