| 1 | A minimum grade of C (2.0) is required in all minor courses. |
| 2 | The Chinese minor consists of 16 semester hours taken beyond CHIN 2102. Lower and CHIN 3605 may be waived without credit through the LMU Chinese placement exam. |
| 3 | Students who need more semester hours to complete the Chinese minor because of their language placement must take additional courses in the language. In the event that there are no courses in the language, students may take MDLG 3400, MDLG 4400, or FNLT 4200 (provided it is related to Chinese language concentration). |
| 4 | Students can receive no more than four upper-division credits from Chinese language or cultural courses offered outside of the Department of Modern Languages and Literatures at LMU, non-LMU study-abroad programs, and other universities. In addition, for any non-Chinese (CHIN) courses to be applied towards the Chinese minor, students must receive preapproval from the Chinese program coordinator and Modern Languages and Literatures department chair. |
