Notes:

[1] An average grade of C (2.0) must be obtained in major courses.

[2] A maximum of 40 upper division units in any one department (including CLST) will be accepted toward degree requirements. Appropriate courses offered in other departments may be applied to the major with permission from the CLST department chair.

[3] Refer to the LMU Bulletin for information on Cross-listed courses for the core, major and minor.

[4] 30 of the last 36 units must be completed at LMU.

[5] Units for required major course(s) that also meet the core will be counted towards the major. This does not take into consideration a major elective course(s) that may meet both a major and core requirement(s). If two required areas are met by one course, the outstanding units must be met in the Elective units total.

[6] Review the LMU Bulletin, Schedule of Classes or meet with your CLST advisor to explore CLST upper division elective options.
