Introducing the Sociology
Department's First Fall Newsletter!

MESSAGE FROM THE CHAIR

Welcome to a new semester in Sociology at LMU! We are so excited to welcome everyone back (and to!) fall 2025 at LMU. In this newsletter you will find information about upcoming programming in the department and some new courses on the horizon for spring 2026, as well as our Dean's list students from last spring. Our classes and programs are designed to challenge students and faculty to think deeply about the complexities of society while preparing them for meaningful careers and leadership roles. We look forward to inspiring timely dialogue, innovative research, and impactful service-learning experiences that align with our Jesuit values of justice, compassion, and lifelong learning.

Rebecca Sager,
Professor and Chair, Sociology
