The Department of Sociology has an active chapter of Alpha Kappa Delta, the International Sociological Honor Society, which was founded in 1920. Its stated purpose is to promote interest in the study of sociology, research of social problems, and other social and intellectual activities leading to the improvement of the human condition.

Each spring the Department recognizes those students who meet the academic requirements for membership in Alpha Kappa Delta. The evening is a special recognition of the dedication & accomplishments of our students and the support of their families.
